

## Terms and conditions

The Rayovac Audio Infos Audiologist of the Year competition is open to all hearing care professionals (hearing aid audiologists, audiologists and dispensers) in the UK, France, Sweden, Spain, Germany and Austria.

For Germany and Austria together 1 winner will be selected. For the other countries 1 winner will be selected per country.

Audiologists or dispensers must be nominated by patients who have had - or are having - a device fitted between August 2004 and July 2012.

Entries must only be submitted by patients or a close relative on their behalf, who will be asked to state how their hearing care professional has helped them and why they believe they should win the competition.

Entries can be made online at [www.audiologistoftheyear.co.uk](http://www.audiologistoftheyear.co.uk) or on an official entry form or leaflet. Photocopies of official entry forms will also be accepted.

Forms can be downloaded from the website in print ready format. Printed materials will also be available through some Rayovac distributors.

Postal costs must be borne by the person submitting the entry form

All entries must be received by 13th July 2012. No liability will be accepted for late or lost entries. Proof of posting or emailing cannot be accepted as proof of delivery.

A panel of judges will select the winners of the countries - each winner will receive £250 or a corresponding amount depending on local statutory requirements, a trophy, framed certificate, plus PR support pack for help in publicising their award locally

There will also be framed "Commendation" certificates for all hearing care professionals shortlisted.

From these 5 country winners, a European hearing care professional winner will be chosen by the panel, who will receive £2,500, a trophy and framed certificate.

Additionally the overall winning hearing care professional will be invited to collect their prize at the 2012 EUHA congress in Frankfurt, Germany - taking place from 24-26 October 2012.

The overall winner must be able to travel to the congress, at the organisers' expense, to collect their prize. Accommodation for one night is also included in the prize.

The nominees: If the winning hearing care professional has more than 1 nominee, the nominees will go into a lottery draw with the first out of the draw receiving £250 cash plus a gift to the value of £200. All other nominees of the winning audiologist will receive a gift which they can collect from their hearing care professional.

All winners and their nominees must agree that their data will be used in local and trade publicity. The organiser has the right to use all entries for publicity purposes.

The judges' decision is final and any legal action is excluded.

The names of the country winners will be made available at [www.audiologistoftheyear.co.uk](http://www.audiologistoftheyear.co.uk) from 28th September 2012.
